EXPLANATORY NOTES TO THE CLAIM DOCUMENTS

**1. Affidavit**

In the event of the claim being based on a promissory note, cheque or other bill of exchange, the relevant affidavit will be required to be obtained from our offices.

If security is being claimed under (6) of the affidavit, the nature and particulars of the security must be stated and the amount at which the creditor values such security must be inserted. A creditor who relies upon his security for the satisfaction of his claim should state that fact on the affidavit above the signature of the declarant.

A claim based on a mortgage or notarial bond or hire purchase agreement requires the original bond or agreement to be attached to the claim together with a statement reflecting the calculation of the amount due.

The affidavit must be attested to before a Commissioner of Oaths who must insert his full names and business address as well as his designation. The omission of such detail may result in the claim being rejected for technical reasons.

**2. Statement of Account**

A statement of account is required to be completed on schedules "A" and "B" attached, by all creditors who wish to prove a claim for goods or services supplied on an open account. If no payments were received or credits given, state "NIL" under "B".
